Address: Castell de Castells, Alicante

Rustic villa for sale Castell de Castells. Rustic, self providing house located in a beautiful natural setting, surrounded by mountains and situated on a well maintained, approximately 18.000m², plot with olive trees. It has well water and a diesel generator providing electricity. The property has real charm and character with fantastic views to the mountains and valley combined with total privacy. The house is heated by 4 independent wood burners and is divided over 3 levels. The composition of the house is as follows: 2 very large working spaces, 2 bedrooms, 2 bathrooms, library, living room and a big rustic kitchen. If you love the freedom and the undisturbed peace, with magnificent mountain views, this house will be just right for you. The property is located between the villages of Benigembla and Castell de Castells, both at a 10 minutes drive. Beaches from Denia are at a 40 minutes drive and the Alicante and Valencia airports are around 1.5 hour away.
