Address: Orba,Alicante

This fantastic large plot is located in the middle of the Orba valley, just a 10 minute drive from the towns of Orba, Benidoleig and Sanet, in a very tranquil and scenic location. The plot is surrounded by orange groves and the plot itself has its own orange groves and other typical Mediterranean fruit trees, palms and olives. The plot has its own private access road and gates that open to a large two level house - currently in a state of ruin, but with the possibility to rebuild, subject to the necessary consents, using the footprint of the existing property. The plot has its own water wells and mains water and electricity are located close to the property. In addition there is a large water deposit that could be converted, subject to the necessary consents, into a large swimming pool. A rare opportunity with the potential to build a wonderful, private villa in a superb, peaceful location. Plots like this a few and far between and viewing is highly recommended. The Property Team have a wide range of properties for sale in Jalon, Alcalali, Parcent, Orba and the surrounding Marina Alta area. See our other listings for villas for sale and to rent.
