Stunning property, good quality build set on an sort after urbanisation. The established plot has stunning views surrounded by mountains. The main entrance into a hallway and straight to the living area with American style kitchen, a glazed Naya overlooking the pool area is an excellent dining area. There is a bathroom on this level. Upstairs there are 2 double bedrooms , the main having an en-suite. Another bathroom is shared . The gardens are low maintenance and a terrace surrounds the pool. A level below the pool with lots of space led by railway sleeper wood steps. Benichembla has a good ex-pat community and local integration, the villa is only a few minutes drive away. The larger towns of Jalon and Orba with all amenities are 10 minutes away. Closest beach at vergel or Benissa coast both 25 minutes away. Ondara where the motorway and a large retail park is also 25 mins away
