The plus points of this ruin are that you are buying 225m2 of space with some lovely old stone walls right in the middle of a charming village with two bars and a church. Not much else - but there is a bus route into the neighbouring market town of Algueña which has much, much more. So there are bonuses and you could rebuild these walls to have a lovely 225m2 village house. The downside is that it currently houses an very large pig called Johnny. Johnny is not a minus in himself, but his future is not looking good. This is certainly worth a look if you are after a village house and wanting it to be uniquely yours. And who knows, maybe you will give Johnny a reprieve.....We are specialists in the Costa Blanca and Costa Calida specialising in the Alicante and Murcia Inland regions with a particular emphasis on Elda, Pinoso, Aspe, Elche and surrounding areas. We are an established, well known and trusted company that has built a solid reputation amongst buyers and sellers since we began trading in 2004.
