Discover this splendid condominium at the heart of Berlin, surrounded by the wonderful architecture of foreign embassies and cultural landmarks of the German capital. The project has six buildings, each with a unique facade and interior design. The exclusive and luxurious materials are used in the construction of buildings: natural stone, wood, and masonry. The design of the project takes inspiration from the surrounding with its old townhouses and monumental buildings like the Markisches Museum in Kollnischer Park. The project dissolves in the environment, creating a meaningful connection between tradition and modernity. Located on the fourth floor, this two-bedroom apartment has a living size of ca. 81,00 m<sup>2</sup>. The floor plan consists of an entrance hall, a spacious living room with an open kitchen, a storage room, and two bathrooms, one with a shower and one with a bathtub.
