The courtyard features a family bathroom with full bath, a family shower room, a utility room and a large cellar as well as stairs up to a first floor sun terrace.

The first floor of the property has 4 large bedrooms; all enjoying shuttered windows, with the potential to install 2 or 3 en-suite bathrooms.

Colmenar has an altitude of 700 metres and a population of 3,600. The foothills of the Sierra de Camaroles lie to the north and Mount Miraflores to the south. It is located at the most westerly point of Axarquia approx 30 minutes drive from Malaga, 10 minutes from Lake Viñuela and 30 minutes drive from the coast at Rincon de la Victoria.

This vibrant town features narrow winding streets in the upper area and a good selection of bars, shops,
