Large detached villa with sea views in the area of La Llobella, on the Benissa coast near La Fustera Beach. Accommodation is divided in two spacious apartments with independent access but there exists the possibility of having them internally connected. Access into the main accommodation can be either through the large double garage with electronic door and internal access to the house or through the security entrance door which leads into a large glazed naya from which we find the best views across to the sea, from here we have a set of wooden doors with glass into the living room/dining room, straight ahead there is a separate fully equipped kitchen and utility room. On the right there is a hallway with storage cupboards which include the 3 double bedrooms and 2 bathrooms (1 Jack and Jill), the master bedroom also boasts a large walk-in wardrobe. On the lower level we find a spacious glazed naya level with the pool with bi-folding doors to be able to open up the room totally, from here there is access to 2 large double bedrooms, 2 bathrooms (1 en-suite) and a large separate fully fitted kitchen. By the pool we find a large terrace with barbecue area and further access to a variety of terraces. On the top of the house there is a solarium terrace and big storage room. The property benefits of double glazing throughout with persianas, gas central heating, large double garage with electric door, sea views and a lot of privacy. This is just one of the many Spanish properties that we have to offer on the Costa Blanca in the Alicante province.
