This villa, built 2013, is located in the Camelias zone of Cumbre del Sol, a nice area with excellent views of the sea and a sunny orientation. It is also situated very close to the local shopping centre, the riding centre and the Lady Elizabeth International School. It was renovated in 2014 and has a large bright living room, kitchen, two bedrooms and a bathroom on the first floor. On the second floor, there is a small independent apartment with a double bedroom, kitchen and bathroom. At the same level there is the infinity pool and a jacuzzi for 4 people. And finally, next to the pool, is a fourth bedroom also with a small kitchen and bathroom. The garden has fruit trees and almost no maintenance, there is central heating, air conditioning and garage. The house has access to two streets, so it would be easy to make an extra parking space if necessary. The well-known Cala Moraig beach is only 3 km from the house and the towns and beaches of Jávea and Moraira are approximately a 10 km drive.
