New project for 85 apartments in Calpe overlooking the salt lake and the Penon de Ifach and just a few metres to the beach, town centre and all of the amenities. The development will be divided into two separate buildings of 15 floors with elevators, separated by the communal pool and gardens. Two and three bedroom apartments are available which will include two bathrooms, living/dining room, fully fitted open kitchen, large windows and partially covered terraces. Terraces from the 8th floor upwards will have sea views. You are able to customize the apartment to suit your taste by buying early and being able to select your own choice of materials and colours. The apartments specification will include double glazed Climalit windows, quality ceramic tiles, video intercom, television, telephone and internet connections, built-in wardrobes, modern bathrooms and kitchen, kitchen appliances and ducted air conditioning. The communal areas will include pool, paddle tennis court and indoor recreation area. On the 9th floor there is another communal area with sea views, gym and terrace. Optional underground parking spaces with storage rooms are available for each apartment. Prices for two bedroom apartments start at 199,000€. Anticipated completion of this project will be the end of 2021. For further details about this exciting new development please do not hesitate to contact us.
