BEACH APARTMENTS. 30% BELOW MARKET VALUE FOR THE AREA!

These ground floor bungalows consist of two bedrooms, a bathroom, a living room with open-plan American style kitchen, a large gallery with a toilet and outdoor terrace. Modern open-plan bright interiors with high quality finishes and fixtures.

The upper floor bungalows also have a similar distribution with two bedrooms, a bathroom, a living room with an open kitchen, and a gallery with access to the wonderful solarium with sea views.

The development offers large garages for cars and large storage capacity. The communal areas are made up of a green garden and beach area around a luxurious pool that integrates another pool for children, as well as a playground within the residential area and padel tennis courts perfect for sport lovers.

The picturesque marina of Torre de la Horadada with its boats, yachts, bars and restaurants, and the lovely promenade and beaches are just a 3 minute walk away. 2 buzzing plazas with an array of bars and restaurants are even closer.
