Luxury resort complex. We are excited to be finally able to release this brand new off plan project being built in the prestigious area of Finestrat on the Costa Blanca North. Licences are now in place to start construction on this luxury resort that will consist of 2 and 3 bedroom bungalows starting from €179,900 and stunning contemporary villas with 3 or 4 bedrooms starting from €389,900. Built in 2 phases with the 2st phase due for completion in March 2021 and the 2nd phase in June 2021. The prices of the top floor bungalows with a large private solarium start from €199,000. The bungalows are being built looking into the communal pool and gardens and will all include a parking place and storage. The views from this resort are some of the best in the area. Cala finestrat is a beautiful sandy coved beach surrounded by bars, shops and restaurants. The bustling party town of Benidorm is less than 3km away where you will find endless amenities including theme parks, water park, 2 fabulous sandy beaches and in the old town you have the infamous cobbled streets of Tapas alley. Alicante airport is just a 35 minute drive away making this resort easily accessible in no time at all.

For a limited period of time we are offering all of our buyers an option of free kitchen appliances and €500 cashback or free air conditioning!
