Independent villas with 3 bedrooms (with the possibility of building a 4th on) and 2 bathrooms next to a lemon and orange garden and the Laguna Salada natural park. It is only a 7-minute drive from the most spectacular beaches of the Costa Blanca (ask us for local's tip on the best spots with sand dunes by the sea). A 3*6m private pool, 2 terraces and a rooftop terrace with a little extra kitchen up there make the villa an even more enjoyable home by the Mediterranean. You will have an en-suite bathroom in the master bedroom, with floor heating in both bathrooms. There are several customization and extra options available. New bars and restaurants are just opening at a 2-minute walk from the villas, while you can reach several older ones with a 7-minute walk, and a Friday market at a 5-minute bike ride. There are great biking routes in the natural park with flamingos and by the sea. Alicante airport is at a 30-minute drive away. A great pick for second home and also as an investment (ask us for current rental rates of these villas).
