Colle di Val d'Elsa (Siena) - Charming Independent Hut in Colle Val D'elsa (SI)

On the beautiful Tuscan hills between Colle di Val d'Elsa and Volterra, is located this beautiful stone hut of 125 sqm completely independent just renovated.

The typical hut structure has been enhanced by the scrupulous use of traditional materials such as handmade terracotta tiles and the splendid reclaimed wood beams, handmade iron and solid wood frames and other fine finishes.

The living area is entirely on the ground floor with a large living room overlooking the terracotta paved farmyard, a delightful kitchen with direct access to the garden, hallway, bathroom, storeroom/laundry room and two double bedrooms. On the exclusive property of about 800 sqm it is possible to ask the Municipality of Colle val d'Elsa for a permission to build a swimming pool. The asking price includes the setting up of the green area and the realization of a wooden carport.

Thanks to the typicality and exclusivity of the property, the landscape value and the strategic position with respect to the most appreciated and coveted destinations in Tuscany this beautiful stone barn is the ideal solution for those who want to live moments of true relaxation immersed in the bucolic Tuscan countryside as well as an excellent investment opportunity with high potential on the tourist rental market. The large windows give brightness to the rooms as well as a pleasant continuity between inside and outside.
