M2 Plot: -
M2 Terrace: -
Address: Firenze Toscana

Firenze (Firenze) - Near Piazza Santa Croce, in a delightful building, we find a renovated apartment on the floor with quality materials and wisely constructed spaces for possible division into two non-cadastral units. Entrance leading to a large living area served by a bathroom with shower, very bright kitchen, three bedrooms each served by its own bathroom, closet.

The apartment is very bright with double exposure and pleasant views of internal courtyards. Single heating and internal subdivision of heating and air conditioning.

LOCATION

Adjacent to one of the most beautiful squares in the world where art and history are breathed. The neighborhood is also located near the Arno river. There are many noble palaces.
