New construction villa on one floor in Balcón de Finestrat

Promotion of 6 villas with facades combined in monolayer and natural stone, private pool, plots between 300 and 530 m2 and with 3 or 4 bedrooms depending on the model.

High quality finishes that include a fully installed alarm system, finished garden with irrigation system, electric shutters, aerothermal, double glazing with solar control and much more.

Its location, 4 km from the beach, 1 km from a golf course and with all the services of Benidorm just 3 km away, make these villas a strategic enclave to enjoy the Mediterranean lifestyle and its great climate. With 300 days of sunshine a year and an average temperature of 20°C.

Alicante airport is 42 km away and its easy access to the AP7 motorway makes getting around from this house quick and easy.
