High tech villa with sea views at javea

we build for you this elegant ultra-modern villa in a prominent location.

The property has wonderful open and unrestricted views over orange groves, the old town of Javea and the Montgo mountain.

A modern, exciting architecture with straight lines guarantees light-flooded rooms and makes the hearts of architecture fans beat faster.

At the same time we guarantee a high quality and upscale construction, taking into account the latest energetic criteria, ensuring functionality and recoverability.

The ground floor entails a large and open plan living-dining area, an American kitchen, and three bedrooms. The master bedroom is connected with an "en suite" bathroom and dressing room, the other two bedrooms have access to a further bathroom.

All rooms have direct access to the sunny pool terrace with a large "infinity" - pool, wide entrance staircase and underwater lighting.

The spacious basement is extendable and can be converted into a fitness gym, home cinema or separate guest apartment.
