Beautiful independent Villa in Punta Prima, very close to all basic services, supermarkets, cafes, restaurants, banks, you can walk to all parts, a few meters from the bus stop and Alicante airport.

The villa is of old Mediterranean construction, but it is very well cared for by the owners, it has high ceilings with wooden imitation beams, the house is surrounded by natural grass about 550 m2 of land, two covered porches, a warehouse to store machinery and a barbecue.

It has site for the construction of a private pool, although it is about 300 meters from the sea.

It has 3 double bedrooms with built-in wardrobes, a bathroom and a toilet, a spacious living room with high ceilings, an independent kitchen with an interior patio, and two exits with a covered porch.

If you want a spacious villa in one of the best areas of Orihuela Costa and near the sea, this is your opportunity, make an appointment and come see it.
