

Price: €2,625,000

Bedrooms: 6

Bathrooms: -

M2 Living: -

M2 Plot: -

M2 Terrace: -

Address: Ibiza, Islas Baleares

Fantastic villa located in one of the nearest urbanizations from Ibiza, Can Furnet. It's to 2km from the centre of the city. The urbanization has 24h security. The property has views of the city, the sea. The house consists of a main house plus an independent apartment. In the house there are 4 double bedrooms, 2 en suite, and a service apartment with its own entrance and toilet. The property needs to be updated. The house is surrounded by forest. It has 3 levels, in the first one we find at the entrance the open fitted kitchen with dining table; in the second level, 2 lounges with terraces and a complete room with bathroom and terrace. Downstairs are the master bedroom with its bathroom, two rooms with bathroom to share, and a separate room with its shower room and own entrance. There is a laundry room, with washer, dryer. Leaving in the pool area we find a chill out area with table, sofa, BBQ, fridge, sink. All to enjoy an outdoor meal. In the pool area there is plenty of open space surrounded by nature, from where you can go down to another garden overlooking the forest. It is on this floor that we find the independent floor with living room open to kitchen, bedroom and bathroom reformed. The pool maintenance room is next door.
