Beautiful villa in a quiet residential area. Sea and panoramic views. Awesome. South location, with sun all day. The ground floor is wheelchair suitable and is at the pool level. It has a very large living room of 46 square meters, connected to the covered terrace overlooking the pool. On this floor is the master bedroom with dressing room and bathroom en suite and the main kitchen which also leads to the terrace.

On the upper floor, there are two bedrooms, two bathrooms, a second living room, another separate kitchen and another covered terrace.

There is a garage and a large storage room. Absolute privacy in all corners of the terrace, which has a wide and cozy wooden pergola. A luxury home in a unique location with breathtaking views. Just 5-10 minutes from the beaches and the village.
