Address: Tivenys, Tarragona, 43511

### Riverside Tivenys

a rare opportunity to purchase a finca on the banks of the river Ebro at an unbelievable price. The property is only 500 meters from the village and a riverside recreational area which includes municipal swimming pool.

There is also the riverside beach and barbecue area just 2 kms along the tarmac track.

The finca is planted with orange, peach and cherry trees and has a traditional casita to reform... the land is irrigated and electric can be connected.
