Lovely little finca of 2489m<sup>2</sup> with a caseta measuring approximately 55m<sup>2</sup> for reform.

Connected to community well (with electric pump) with the possibility of mains electricity to the caseta.

The photographs show how the caseta and garage are presently presented but the property could easily be reformed into a substantial home!

The land is flat with an abundance of fruit trees and vegetable plots - incorporating:

Olive, orange, pear, cherry, plum, pistachio etc.

A great opportunity for the budding gardener and set in an idyllic location being just a short 5 minutes from the canal and River Ebre! Also a Fishermans dream location!
