Absolutely Breathtaking views from this Traditional stone-built country house with beautiful natural wood beams,

On the ground floor is a spacious kitchen, a wetroom-style bathroom and a double bedroom.

On the first floor is a lovely sitting room with a large wood-burning stove.

2nd bedroom

The carport has been transformed into a beautiful outside chill-out room.

Outside are various seating areas with breathtaking views.

There is also an enclosed courtyard with a corner fireplace and built-in barbecue. It also has a lovely cool plunge pool for those hot summer days.

The original carport has been transformed into a beautiful outside chill-out room.

Alternative power system (solar etc) and cisterna for water
