A first-class, spacious and elegant family home constructed in 1878, the house has been completely renovated - totally rewired, replumbed, new roof - and finished to an extremely high standard. There are 2 generous reception rooms, four excellently proportioned bedrooms and three bathrooms. Across a courtyard from the main house, the fully restored carriage house has a heated indoor pool and mezzanine with established office and wood stove. Outside in the courtyard, there's a deck and covered seating area. The grounds of 1062m² are walled in around the low maintenance garden with formal front lawn, secluded kitchen garden, a working well and a variety of fruit trees.

The traditional terrazzo tiled central entrance opens into the interior hallway featuring an open central staircase with living and dining rooms (20m² +) to either side with built-in fireplaces and solid cherry wood floors. The rear of the dining room opens into a large kitchen (32m²) fitted with a central dining island (seating six plus), Bosch appliances (range type cooker, gas and electric fan ovens), an array of impressive cabinets, concealed double fridge freezers, dishwasher and pine wood floors. The adjoining 16m² pantry/laundry room leads out to the smaller secluded kitchen garden. Back stairs from the kitchen take you to the bright 51m² basement space (currently a play room) with solid pine floors and a door to the garden.

1st floor: 2 bedrooms (21m² each) with parquet floor and iron fireplaces, full length windows opening onto the lawn with views of the countryside, served by a shower room and w.c. Also, up the stairs from the kitchen, a third guest room (18m²) with bathroom.

2nd floor: beautiful and spacious master bedroom of 45m² has a beamed ceiling, parquet floor, walk-in wardrobe/dressing room and large modern and stylish en-suite bathroom (29m²) with shower and free-standing bath.

Adjoining the carriage house, the original stone barn/stable affords significant additional potential for conversion to separate guest accommodation, a 2 or 3-bedroom self-contained unit. Currently set over 2 floors (16m² each) with the possibility of adding a mezzanine, it overlooks the garden with a view into the adjoining field with a small stream. Additional outbuildings include a substantial garden shed and wooden chicken coop.
