The provincial capital city of Alicante lies within 18 km, and El Altet international airport can be easily reached via the A70 motorway, with a drive time of approximately 25-30 minutes. Both of the villas will have easy maintenance, fully landscaped gardens with automatic irrigation system. There will be porcelain tiled paving around the house. The garden will be interspersed with Mediterranean plants and shrubs, plus lemon and orange trees. All designed for a comfortable and relaxing life-style in a natural environment. Each property within the development will be provided with a 9 x 4m swimming pool which will allow you to enjoy the spectacular views while taking a refreshing swim.
