Villa under construction, which needs to be finished, located in Baladrar on the Benissa coast. This property is located just 1.5km from the sea and will be sold as seen. The potential buyer may also finish the property with the same builder to his own standards and wishes, or use any other builder to finish the construction work. The Villa has open views with some sea views. On the main floor is the living/dining area with semi open kitchen, two bedrooms, a house bathroom and a lovely terrace with beautiful views. On the second floor you find the master bedroom with en-suite bathroom and a private terrace. All bedrooms have the provision for built-in wardrobes. A water deposit of 10.000 l has been built next to the villa. On the outside you will find a driveway with off-road parking, a little bit of extra space to make your own garden and a 7 x 4m pool. A property you must see.
