Beautiful apartment complex with a large garden and swimmingpool area. The closed complex offers apartments with either 2 or 3 bedrooms, 2 bathrooms, large terraces, basement with private parking, storage room and lift to all apartments.

Almost all the apartments include a huge garden or terrace area.

Included in the price are pre-installed air conditioning, underfloor heating in bathrooms, electric shutters in livingroom and wardrobes with drawers and sliding doors in all bedrooms. Also included is a Home-Automation system for the control of 2 shutters and 4 lights and pre-installation of 2 cameras, alarm system, outdoor lightning on terrace and roof terrace. The hot water system is powered by aerothermia with deposit and electrical boiler. Apart from this all apartments can enjoy the common area with garden and swimmingpool.

- **PROMOTION!!!!** We are offering free domestic appliances and a free air conditioning unit for the living room to any of our clients who purchase one of these properties.
