This lovely villa with wonderful views to the sea is located in the Begonias area of Cumbre del Sol, near the north entrance from where you can easily reach the town and beaches of Jávea (10 minutes by car). It was built in 2003, situated on a flat plot and distributed all on one level. The villa consists of three large bedrooms, one with en-suite bathroom, a house bathroom, a large and bright living/dining room and a fully fitted open plan kitchen with white units and pale grey granite worktops. Outside it has a beautiful part-covered porch overlooking the pool and garden from where you can enjoy the wonderful views over the green zone to the sea. The immaculate villa includes built-in wardrobes, bathroom storage, gas central heating and automatic irrigation in the garden. This house is perfectly equipped for permanent living or it would be a lovely holiday home with a lot of potential for rental income if required. Annual taxes total 843€. This property should not be missed !More photos to follow.
