Luxury villa project for sale in Moraira. Villa project for Sale in Arnella, Moraira, Marina Alta, Costa Blanca, Alicante, Spain. The project includes a 815m² plot, a plot with a gentle slope, with the advantage of constructing an elegant villa, with an elevation for a possible extension or perhaps a garage. This model has been chosen for this plot (the floor plans of the house are attached). The project includes an 8x4m swimming pool and surrounding terrace. The Building Specifications for this project are available on request. The property will be constructed using top quality materials and always according to current building standards and with the required licenses. We have other plots and villa designs available and should the client have other preferences and requirements, our professional architects division are at hand to personally design the desired home and our well renowned construction company will build it on the chosen plot. The plot is south east facing with nice views; the views can be appreciated once the plot has been cleared. This plot is located in one of the most sought after areas of Moraira, in Arnella. The beautiful beach of El Portet is about 2km away and the lovely village of Moraira and its private marina about 3.5km. Moraira boasts all shops and services, including all types of businesses, banks, boutiques, bars and international restaurants with exquisite cuisine and importantly a health center.
