Villa with 5/6 bedrooms for sale in the La Fustera area of the Benissa coast. This villa is located at the end of a quiet cul-de-sac, only a short distance of the beach and supermarket. The house is distributed over two floors consisting of: upstairs has an open terrace, a glazed naya that leads to the living/dining room and the separate kitchen with terrace. Then it has a large bedroom, a bathroom and a separate toilet. This floor has been reformed and is in good condition. On the ground floor you enter through a large kitchen, followed by a dining room and living room with feature fireplace. There are two bedrooms and a bathroom, on the other side, there is another smaller bedroom and another bathroom with shower. This area needs some modernisation. Following the hallway you can access the garden and what could be another independent apartment including living/dining room and kitchenette, as well as a large bedroom and a bathroom. This area is in good condition. The whole house has gas central heating and some air conditioning. Outside we find the garden with several fruit trees, a swimming pool and an outdoor shower. There is a large garage and more space for parking as well as separate laundry. An ideal villa for a large family or to be used as a source of rental income.
