Bank repossessed apartment located at the end of La Manga strip, Murcia.

The apartment has got two bedrooms with built-in wardrobes, one bathroom, bright and airy living-dining room thanks to its large windows, through which the access to a spacious terrace is gained, and a completely equipped American kitchen.

The apartment is completely new and includes aircon units!

The apartment is situated in Punta Cormorán, a lovely development with nice communal green areas and a nice and ample pool. It is situated at the Mediterranean beach front line. The Mar Menor is only 200m away, perfect to practice water sport or to enjoy a calm and safe swim!

This development benefits from being in one of the most peaceful areas of the strip, but it has got all the necessary services quite close, including supermarkets and restaurants. Besides, Tomas Maestre Marina is less than 4 km away, a really famous area of La Manga as it has got a big supermarket, nice restaurants and cafes and a chemist's, open all year round.

La Manga strip is run by a bike line, which makes easy to move along it. Furthermore, there are bus routes that connect La Manga with Cabo de Palos and with other urban areas. The closer international airport is in San Javier (MJV), only 56km away.
