Address: Calahonda, Málaga

Fully functioning restaurant with 2 floors in the best area of ??Calahonda.

It is currently a Swiss restaurant established 23 years ago on the Costa del Sol and with a fixed clientele. It has a separate kitchen, bar area, lounge divided into two areas with capacity on the upper floor for about 40 people. On the ground floor there are 2 toilets and the rest of the space is used as a large warehouse. Decorated with Swiss style, many details in natural wood, and wood and ceramic floors.

The restaurant is fully equipped and furnished.

Previously it was a Piano Bar, and below is where the piano room and the Pub were located.

It is a commercial place with many possibilities and with an excellent location, Calahonda is a municipality that belongs to Mijas Costa and where the influx of foreign public is very high throughout the year.

Excellent as an investment since it is a restaurant established in time and also excellent to put a new business for its privileged location.
