WANT BIG ROOMS This villa is very spacious, the 5 bedrooms are large, the 2 kitchens and the living / dining rooms are a great size also, It is a nice change ! The villa is distributed on two floors, on the ground floor there is a separate guest apartment with a kitchen, living room / dining room, 2 double bedrooms and a bathroom. On the main floor there is a kitchen with breakfast area, living room / dining room with fireplace, 3 large bedrooms and 2 bathrooms. Located just a few minutes from the port and the old town and in an area very quiet. The villa enjoys lovely panoramic sea views, and views of all of Javea and beyond. In very good condition thanks to the original construction quality and although it would benefit from a reform that is reflected in the recently reduced asking price !
