Description

This property represents a once in a life time opportunity to acquire a very special Spanish home. This extremely spacious, detached finca is presented as 2 separate living spaces, both perfect as a permanent home and ideal if you are looking for an investment property with strong rental potential.

You access the property via a secluded private driveway that has vast parking. The main part of the house is at this level and features a wonderful entrance hallway that leads to a very large lounge with dining area and feature fireplace, a fully fitted and equipped farmhouse style kitchen with centre island, pantry and utility room, a guest toilet, 4 double bedrooms (one of which is currently being used as a full time office), a family shower room, a master suite with walk in wardrobes and luxurious en suite bathroom and an extremely large wrap round naya that is perfect for al fresco dining and relaxing and leads to the pool and gardens.

Steps from the drive lead down to further accommodation that is again very spacious, it features a master bedroom with en suite shower room, a further double bedroom, a guest shower room, a large lounge with dining area that leads to the beautiful naya and a farmhouse style kitchen.

The magnificent grounds to the property are completely private and boast an array of palms, trees and plants and have many different areas to enjoy the winter and summer sun. The stunning private pool (heated from the solar panels) is surrounded by vast terracing and a lovely outside kitchen/BBQ area.

There is a vast storage area underneath the property and a separate room that houses 4 water deposits and the central heating equipment.

This property has many special features to include barrelled and beamed ceilings, under floor heating and solar hot water. Properties of this magnitude and potential do not come to market often and viewings are strongly recommended in order that this beautiful family home can be truly appreciated.
