Address: Villaricos,,04616

Wonderful second floor 3 bedroom apartment, near the port of Villaricos with a spectacular view of Mojacar village from the terrace. Great location near shops, restaurants and other amenities. Spacious living room, fully fitted kitchen and bathroom.

Villaricos is an all-year round beach town but gets busiest in the Summer (July and August) when rental properties are nearly 100% occupied and rents are expensive so some property owners take advantage of this to earn some extra income.

On Sunday mornings the village is taken over by a colourful street market that attracts tourists and locals from all over the province and further afield. The nearby towns are Palomares, Vera, Garrucha and Mojacar, and in addition to golf, popular activities in the area include scuba diving, cycling, horse-riding, tapas routes, going to the beach and visiting historical cities such as Granada famous for its Alhambra Palace and the Sierra Nevada ski slopes.
