Bargain country house...This is small country house set on the outskirts of Pinoso and offers great possibilities... The property is liveable, but in need of modernisation...It is accessed by a tarmac road. Has mains water (irrigation water and drinking water) and electricity (internet and telephone are available). It has 3 bedrooms, 1 bathroom, small kitchen and lounge and there is a garage to the back which could be extended to offer further accommodation. The plot has a large number of olive trees on it - more than enough to provide you with your years supply of olive oil. Part of the plot is fenced and gated. Fantastic project for someone...We are specialists in the Costa Blanca and Costa Calida specialising in the Alicante and Murcia Inland regions with a particular emphasis on Elda, Pinoso, Aspe, Elche and surrounding areas. We are an established, well known and trusted company that has built a solid reputation amongst buyers and sellers since we began trading in 2004. We offer a complete service with no hidden charges or surprises, starting with sourcing the property, right through to completion, and an unrivalled after sales service which includes property management, building services, and general help and advice to make your new house a home. With a portfolio of well over 1400 properties for sale, we are confident that we can help, so just let us know your preferred property, budget and location, and we will do the rest.
