Address: Panama City, Panama

First and only man built island in the Pacific Ocean. Residents enjoy an island lifestyle only minutes from the heart of Panama City the economic and cultural hub of the region. A completely different ecosystem with low density and one-of-a-kind private residences its unlike what you experience anywhere else in Latin America. A world class marina just steps away from the city which will offer 200 slips for yachts ranging from 40 to 200 feet. A marine and boat supply store fueling station slip rental program scuba diving trips and yacht charter service will be available at the Yacht Club. The marina is under construction and will open last semester of 2019. The jewel of Punta Pacifica the most affluent neighborhood in Panama City. Connected to the mainland by a bridge of approx. 160 meters and offers the possibility of being away but always connected if you wish. It has a privileged location since it is connected the most important areas of the city with a direct entry and exit from the south corridor and multiple access roads just 5 minutes from supermarkets shopping centers restaurants hospitals banking center and business..
