The main entrance takes you into the fabulous, modern, open-plan kitchen, fully-fitted with high quality 'Miele' integrated appliances, stainless-steel extractor unit and water filtration system. To the left is the bright and spacious living room with log-burning fire and an archway into the inviting, glazed dining Naya with beamed ceiling, overlooking the pool and gardens.

From the living room, a hallway leads you to a double bedroom with built-in wardrobes, and the guest bathroom with walk-in shower. To the right, you find a 2nd double bedroom with built-in wardrobes, and the Master bedroom, with built-in wardrobes, en-suite shower room and sliding patio doors (fitted with Mallorquina shutters) leading out to a very private terrace with wooden decking, partly covered with beautiful sail canopies, and a Jacuzzi spa, heated by solar power as well as electricity.

From this private terrace, a few steps lead down to the BBQ casita and further terrace, and a feature spiral staircase will take you up to a roof solarium, from where you can relax and enjoy the lovely open views. The private, solar heated pool and terrace are south-west facing, ideal for enjoying the Mediterranean sunshine throughout the day.
