We are happy to present this lovely 3 bed 2 bath South facing townhouse located in El Raso, Guardamar del Segura. The property has a total plot size of 108 m2 with a living area of around 68m2. As you enter the property you are greeted by the open plan living and kitchen area along with a downstairs bedroom and shower room. Off the kitchen there is a utility area perfect for storage. As you make your way upstairs from the living area there are 2 further bedrooms (one of which is the master) along with a bathroom. The South facing balcony is located off the master bedroom. There is a staircase leading up to the private solarium, from here you have partial views of the salt lake. The Communal Pool is not far away from the property around 100m or a 2 min walk down an internal access road. Viewing is a must!
