Modern villas in balcón de finestrat just a step from benidorm !

This pilot villa is fully finished and has been built with luxury finishes such as a ventilated facade for greater thermal insulation and lower energy consumption and a fully finished basement. In the rest of the villas in the complex you can choose the finishes and basement options.

Construction of 7 new high standing villas offering the best functional and elegant designs, comfortable spaces and high quality finishes.

Residential with large plots of 500 m2 with modern homes and private pool.

Its optimal orientation and its large windows allow natural light to enter throughout the day. Its elevated situation and with a slight slope guarantee great views of the sea in the distance.

It is a luxury home with spacious and bright rooms with spaces designed to be lived in, with an open concept on the ground floor, with exceptional views, just a step away from the sea and the mountains.

A dream of many ... Within the reach of a few.
