Ben34ras

In the mountains nearby Benifallet you find here a lovely finca of 6.5 hectares (65.000 sqm) with stunning views. Away from the noise but still not more then 7 minutes to the local market.

The casita has been newly renovated, with totally new roof.

There are 2 separate rooms, and an established solar energy room ready for installation.

There is a new build reservoir for water (cisterna) and also a deal with a local about fresh delivery every month.

You could easily renovate the casita into a lovely holiday retreat!

Really needs to be viewed. Stunning area and lovely area!
