Tortosa / Bitem

Ref.nr. Tor9049mag

In the mountains of Tortosa/Bitem, but just on 7 minutes' drive to town you will find here a lovely country property.

The property consists of 2 plots, one with a house and the other one has a casita on the land that is already partly renovated. This could be easily converted into an extra accommodation.

The house has lots of charm and really needs to be viewed!

Main house:

Living/dining area, vide, Large corridor, storage room, 3 bedrooms, bathroom, good sized kitchen and from the kitchen you walk straight into a terrace.

Outside there is a small almacén and woodstore place, also there is an sep-up pool.

On the house is a roof terrace where you have stunning and beautiful views over the valley and the natural park Elsports.

The second finca has a casita that is already partly renovated and good be easily converted into an extra accommodation.

Solar is by solar and the water is by a cisterna.

The finca lays just on a 10 minutes' drive straight into Tortosa and just on a 25 minutes' drive to the sea.

Really needs to be viewed!
