Address: Cabrera de Mar, Barcelona

Secluded Mediterranean house with stunning sea views for sale in Cabrera de Mar. Enjoy your own private paradise on this extensive property in Cabrera de Mar, marvel at the stunning panoramic sea views and walk among the gardens filled with mature trees, beautiful flowers and aromatic herb bushes. Discover special magical corners with peaceful stone fountains, relaxation areas and an area that is ideal for parties around a barbecue area. The main 5-bedroom Mediterranean style house is 630m², and there is more than one hectare of well-maintained landscaped gardens maximising space on the hillside. The delightful house is built to the highest standards using natural materials such as stone and rustic redwood boards helping it to blend into the land. There are marble floors throughout and it is very well-lit due to large windows. The main living areas are on one floor and consist of 5 bedrooms, 4 en suite, large, spacious kitchen with island, dining areas and large living room of 180m² with two fireplaces and stunning sea views. There are also multiple rooms as well as a guest bathroom. An ideal area for large family get togethers or when hosting visiting friends. A large terrace surrounds much of the building and overlooks the outdoor pool and gardens as well as offering those spectacular views. The lower floor leads to the gardens and consists of a multipurpose... Read more Secluded Mediterranean house with stunning sea views for sale in Cabrera de Mar.
