The design of Riviera follows the latest tendencies in architecture. The sun is the element that plays an essential role in the villa, lighting up the villa through both East and West. This villa has been designed using the latest techniques to have an ecological and low maintenance building. Riviera del Sol villa has been designed to maximise the indoor-outdoor flow and the sea view from both the east and the west. Riviera del Sol has a privileged location, only 2 minutes from the highway that connects the south of Spain. It's located in a residential and private yet centered spot in the Costa del Sol. From an imperious position, it commands unrivalled views over the surrounding landscape - the mountain, the sea and the Golf.
