An acre of productive land (.35ha) A variety of fruit trees from peach, plum, pear cherry etc and vines and olives plus a substantial vegetable plot. The house has a BIG advantage in having "mains" electricity out in the country and also we have irrigation water AND a well, so water is never a problem!. The house is block built (year 2000) insulated and stone clad. 1 bedroomed, large lounge with a wood burner fire, kitchen with fitted units and bathroom, there is a wooden annexe (again insulated) guest bedroom with block built en-suite.

There is also a wooden built large workshop and a small stone built "cave" incorporated into the workshop.
