We have the privilege to offer you 7 very exclusive Villas, the new exclusive residential building on Pedramala Avenue, on the coast of the municipality of Benissa. An estate in a unique natural enclave, with a beautiful view of the sea and the Rock of Ifach, near the towns of Benissa, Calpe and Moraira. A development consisting of 7 plots located in the residential area Racó de Galeno, selected on their location, orientation and views of the sea, where villas have been designed that are specifically adapted to each plot, exclusive designs, each with their own character, integrated into their surroundings and designed to enjoy the sea view and the mild Mediterranean climate .
