This property, located in the heart of Calpe town centre, is a very good business opportunity. With the perfect location, walking distance to the beaches and all of the amenities, this property offers lots of potential. Consists of an 83m2 restaurant with bar, kitchen and seating for thirty-two guests. Also there are two sets of clients toilets, ladies and mens and air conditioning units. The property is empty at the moment, but in good condition, the kitchen is only five years old and the electrics have been renewed, so all it needs is some "tender loving care" and furniture and you would be ready to trade. There is plenty street parking in the area around the property.- This is just one of the many Spanish properties that we have to offer on the Costa Blanca in the Alicante province. If you are looking for an apartment, townhouse, villa, new build villa, country house or a plot to build your own property, we have them all, and we also offer a property finder service to help you find the property that is perfect for you. If you cannot find what you are looking for on our website please contact us with your criteria and your budget and we will do our very best to assist you.
