The plot is beautifully maintained with low maintenance planting and it is west facing to enjoy the panoramic views and the wonderful sunsets. This property does have steps but the owners have beautifully made use of the outside space to offer shaded seating areas at mid terrace level with a gazebo and lounge area which then leads down to the large pool terrace with a 6m x 3 m pool, outside shower and a covered summer kitchen + BBQ. The villa specification includes air conditioning, part underfloor heating, double glazed tilt/turn windows with mosquiteras and persianas, fireplace with wood burner, satellite television and lots of storage.
