Choice of two semi-detached villas with pool for sale in El Campello. These 2 recently build houses have been build with good quality materials and are situated in a nice urbanisation unfar from amenities and beach. They have a carport and you enter the property on that level, where you will find 3 bedrooms and 2 showerrooms, of which 1 en-suite. On the upper floor is an open plan lounge/diner/kitchen, and another bedroom with en-suite showerroom plus a guest toilet. From the lounge you access the covered terrace through big French doors. Here you find the rest of the plot with lawn and the 8x4 private pool with outdoor shower. A stair leads up to the roof terrace, from where you have nice views to the sea. The solarium is prepared with water and electricity, for a summer kitchen. The property benefits from double glazed security windows with blinds and mosquito nets and air condition h/c. The garden has an irrigation system and there is solar for hot water. The houses are to be sold fully furnished and will be painted again.
